"Save the cheerleader, save the world" are the defining words of Heroes, the

phenomenal series that has transformed television drama. They are also the cryptic marching orders for the show's cross section of ordinary individuals united by an extraordinary bond. Each possesses a superhuman ability, and together they must prevent the course of history from taking a terrifying turn. Now, in this original novel based on the TV phenomenon, in a thrilling story that will captivate even those who haven't seen the show, one of these unexpected saviors steps center stage on a deeply personal quest that will test the limits of his gift, the depth of his love, and the ultimate strength of his will.

Hiro Nakamura possesses the remarkable power to control time. And like his uniquely blessed comrades, he's on a mission for the good of humankind. But another challenge awaits him: saving the love of his life from an unspeakable death. Charlene "Charlie" Andrews is the big-hearted, small-town beauty whose sunny smile and sweet soul knocked the shy Hiro head over heels. But when Charlie's young life is snuffed out by a grisly serial killer, their budding romance is brutally cut short.

Or is it? Thanks to his astounding newfound skill, Hiro has the means to do what no tragedy-stricken lover in history ever could–turn back time. And no matter how raw his abilities, or how many twists of circumstance conspire to foil him, he vows to deliver Charlie from the evil poised to claim her. He will be her hero.

But what possible consequences might changing the past visit upon the future? How could saving one cherished life affect millions of others? And what ultimate choice will Hiro make when the power of fate rests in his hands?

From the Hardcover edition.

到了第三季，我的智商就实在承受不了了，适合那些数学好的人看。不过一二季还是很神奇的。
