Being a gay high school football coach isn't easy, especially in a small town. For five years, Justin has repressed his sexuality in order to keep the job he loves.

His only serious temptation is the father of his star running back. Sparks fly between the two men, and one Friday night after a winning game, Justin just can't say no.

Luc is the man he's been searching for his entire life. But is this new relationship worth risking his career?
