The East, which is famed for its business saviness and get-go attitude, is now seizing the international media's attention for its burgeoning creative scene. From design to art, fashion to architecture to film, Asia's creatives are scooping awards and earning critical acclaim. Their

style is distinctive, a celebration of traditions, an indulgence in the present and a wink at the future. The book salutes the 46 most impressive talents include fabled Keiichi Tanaami and Wabisabi from Japan, MEWE Design Alliance and Chenman from China, Stanley Wong and IdN from Hong Kong, Singaporean collectives :phunk studio and Me and Mister Jones, Zinoo Park from Korea, and OSISU from Thailand showcasing their refreshing portfolios comprising

graphics, packaging, fashion and furniture designs with exclusive interviews.

With tributes to the late legendary Japanese designer Nagi Noda.

这本书被图书馆老师莫名地归在了产品设计。囧

封面很漂亮

，作品还是可以的，毕竟是08年的书了，但是作品的涵盖面太广，有摄影，平面，装置...是不是有点受众群模糊了捏...

我喜欢ADC，我想TDC，我爱JADA；广告档案是我的希望，USAD是我的梦想；我是一个看书狂的人，有什么需要可以与我交流，王涛 手机 13613050804
