For travellers looking to sip the best martini in town or pamper themselves at the chicest spa, LUXE City Guides provide an insider's access to the good life. --Newsweek (International Edition) May 26 2008

In the admittedly strange world of travel guidebooks, LUXE is the cutest, smartest, hippest and funniest. Its also updated every 12 months, with further updates on the website so you can check in before you go. --independent.co.uk - May 2008
