Regarded throughout the English-speaking world as the standard English translation of the Holy Scriptures, the "JPS Tanakh" has been acclaimed by scholars, rabbis, lay leaders, Jews, and Christians alike. "The JPS Tanakh" is an entirely original translation of the Holy Scriptures into contemporary English, based on the Masoretic (the traditional Hebrew) text. It is the culmination of three decades of collaboration by academic scholars and rabbis, representing the three largest branches of organized Judaism in the United States. Not since the third century b.c.e., when 72 elders of the tribes of Israel created the Greek translation of Scriptures known as the Septuagint has such a broad-based committee of Jewish scholars produced a major Bible translation. In executing this monumental task, the translators made use of the entire range of biblical interpretation, ancient and modern, Jewish and non-Jewish. They drew upon the latest findings in linguistics and archaeology, as well as the work of early rabbinic and medieval commentators, grammarians, and philologists. The resulting text is a triumph of literary style and biblical scholarship, unsurpassed in accuracy and clarity.

文字中有太多可以推敲的地方，觉得自己的理解程度根本不够，不愧为圣经

The translation is suppose to be as close to the original Hebrew one can get. If you know of another please reply. Anyway, I give this 5 stars because I see how some later "stories" originated and were changed or added to. It is not fun reading through the begets but after that it is a good read and I feel more confident in my faith and practice.
