Staring into his swimming-pool-blue eyes, I finally found my voice. 'I thought you were dead,' I whispered. And then he was kissing me. Avalon High, Ellie's new school, is pretty much what she'd expected. There's Lance, the hunky footballer; Jennifer, the cute cheerleader; Marco, the troublemaker. And then there's Will - the most gorgeous guy Ellie's ever met. She can hardly believe he likes HER. When Will says he thinks he's met Ellie before, things start getting a little weird. A feeling that grows as Ellie discovers the strange bonds that entwine Will, Lance, Jen, Marco - and herself. As darkness turns to danger, can Ellie stop the horrific chain of events that threatens to engulf them all? A thrilling new novel from the best-selling author of THE PRINCESS DIARIES.
