

# The Cambridge Companion to the Stoics

[The Cambridge Companion to the Stoics 下载链接1](#)

著者:Brad Inwood

出版者:Cambridge University Press

出版时间:2003-5-5

装帧:Paperback

isbn:9780521779852

This volume offers an odyssey through the ideas of the Stoics in three ways: through the historical trajectory of the school itself and its influence; through the recovery of the history of Stoic thought; through the ongoing confrontation with Stoicism, showing how it refines philosophical traditions, challenges the imagination, and ultimately defines the kind of life one chooses to lead. New readers will find this the most accessible guide to the Stoics currently available. Advanced students and specialists will find a conspectus of developments in the interpretation of the Stoics.
