The Athens Encounter guide gives you twice the city in half the time. This pared-down number is ideal for quick trips - it's less accommodation, more neighbourhood highlights and the best of local knowledge.

* Coverage spanning hip and upand- coming neighborhoods to the best beaches for cooling off

* More content variety than ever, contains information on the region's history, the city's cuttingedge architecture, the greatest beach bars and the hidden places where the locals go

* Written by our long-time resident author, who also penned the Best of Athens guide
