

Le Morte D'Arthur

[Le Morte D'Arthur_下载链接1](#)

著者:Sir Thomas Malory

出版者:CRW Publishing Limited

出版时间:2007-09-01

装帧:Hardcover

isbn:9781904633976

Based on the Winchester Manuscript, this edition of the famous mediaeval romance offers substantial critical and contextual support for the student. Using the original spelling, the editor has restored the paragraphing and the narrative structure of the romance. Four chronologies, including one of the Wars of the Roses, contemporary accounts of the war, material on chivalry, tournaments and battle, and a guide to reading Malory's English are included.
