Amsterdam Index is an annual, internationally focussed magazine about creativity in Amsterdam, a city buzzing with cultural initiatives, imaginative organisations, one-of-a-kind companies and inspiring people.

Amsterdam Index offers a window on the lives, work and ambitions of the creative spirits living and working in Amsterdam and takes you to the city's unexpected

places. The 2007 edition of Amsterdam Index lavishes attention on street culture, Marcel Wanders, e-culture, North Amsterdam and much more, including a free city guide full of useful addresses, information and personal tips for eating, drinking, dancing, sleeping, art, culture and lots more!
