For Chancelade, the world is teeming with beauty, wonder and possibilities. From a small boy playing on the beach, through his adolescence and his first love, to the death of his father and on to the end of his own life, he relishes the most minute details of his physical surroundings - whether a grain of sand, an insect or a blade of grass - as he journeys on a sensory adventure from cradle to grave. Filled with cosmic ruminations, lyrical description and virtuoso games of language and the imagination, "Terra Amata" brilliantly explores humankind's place in the universe, the relationship between us and the Earth we inhabit and, ultimately, how to live.

书评

我查了,第二个单词法语里没有,可是我感觉像,应该是深爱着的土地把,第一个单词拉丁语学过,法语里同样存在,难道是意大利语?不会,准备学学!
