

In Catilinam I & II

[In Catilinam I & II 下载链接1](#)

著者:Cicero

出版者:Bristol Classical Press

出版时间:1990

装帧:Paperback

isbn:9780862920142

This edition, first published by Macmillan in 1943, has the straightforward utilitarian

aims of all those prepared by H.E. Gould and J.L. Whiteley: a basic introduction, reliable text, suitable illustrations, and a vocabulary that gives only those meanings that are required. Last and perhaps most important of all, adequate assistance is provided in the notes, so that the student may feel capable of translating with confidence and accuracy.
