A face is worth 1,001 Spanish words Is this man calmado or ansioso? Relajado or estresado? You can easily see by the look on his face that he is stressed out: ansioso and estresado. Using the stories that our faces, appearance, and gestures tell, Spanish in Your Face helps you learn and remember essential Spanish vocabulary and everyday expressions relating to personality, attitudes, moods, and emotions. This hugely entertaining book is packed with illustrations that will tickle your funny bone and fine-tune your ability to communicate, face-to-face, in Spanish.
