Discover Seattle

Get the view of your dreams from the charmingly retro Space Needle

Search for the troll in Fremont and find more oddities than you bargained for

Dig out your leathers and be one of the cool kids in Georgetown

Try a slice of cherry pie and discover the Salish Lodge's cult-TV connection

In This Guide:

More than 1000 hours of research by our Seattle-loving author, from beer-tasting to bed-testing

Where to eat, drink, shop and stay, or play pinball

Only guidebook to include a dedicated Moving to Seattle chapter - with tips from residents

Content updated daily: visit lonelyplanet.com for up-to-the-minute reviews, updates and traveler suggestions
