出版者:Transaction Publishers

出版时间:2004-1-26

装帧:Hardcover

isbn:9780765802095

This work shows Max Weber's pre-eminent position within social theory by applying his ideas to a broad range of topics of contemporary concern. It covers some 4600 bibliographic listings of work on Weber. It should be of use to sociologists, historians, and students of cultural history.
