出版时间:1990-11

装帧:Hardcover

isbn:9789813035645

This volume reflects the wide range of development issues and problems of the economies of East and Southeast Asia whose dynamic performances have caught the attention of many around the world. It also serves to honour Professor Shinichi Ichimura for his dedication and many contributions to creating a better understanding of the development issues faced by the countries in the region. Both the editors and all of the contributors in this book have worked with Professor Ichimura at one time or another.
