Rejection sucks. But it's not the end of the world. The purpose of this book is to look at repudiation as one accepts pigeon droppings on a park statue. Their doo-doo is no big deal, and you can clean it up. The book is filled with 150 cartoons, 1000 humorous quotes, anecdotes of 200 celebrities; offers 101 strategies to avoid rejection, 86 catalysts to consider for positive action, and benefits to seek that can be a blessing.
