## Synopsis

Whether you like it rough and surly, smooth and sultry, or quick and raw, you'll find it in Best Gay Erotica 2008. Here are 20 of the hottest and best-written man-on-man sex stories to appear in print this year. In "Underground Operator," two men on a nearly empty subway platform indulge in forceful, anonymous sex that lets them momentarily forget the stifling summer heat. "Donuts to Demons" finds a self-described "rock'n'roll artfag" searching for a lover "as patient and gifted and generous as he advertised on craigslist."
