Where would you find the greatest concentration of collector's garages, or the biggest stash of automotive metal? The only answer is Detroit, home to the Big Three, auto industry insiders, ground zero for motor madness. Inside this book you will find some of the most spectacular garages in the world, places for cars some of us can only dream about! Come on a tour of over twenty of Motown's most fascinating garages,

ranging from the business heritage ones to private individuals. An eye-opening tour of the lovingly preserved cars that Motor City keeps for today and tomorrow. For anyone who likes garages or cars this book is a must-have, and includes stunning photography, details of the cars, and collectors talking about their passion - a perfect accompaniment to "Dream Garages".
