著者:Sean Sayers

出版者:Routledge

出版时间:2007-06-01

装帧:Paperback

isbn:9780415449021

Is there such a thing as human nature? Here, Sean Sayers defends the controversial theory that human nature is in fact an historical phenomenon. He gives an ambitious and wide ranging defence of the Marxist and Hegelian historical approach and engages with a wide range of work at the heart of the contemporary debate in social and moral philosophy.
