This is the author's treat for his 75th birthday. 147 days, 20 countries, 37,650 miles. By plane, train, and bus. Only \$83 per day. Problem! His buddy Keith drops out early. Dammit! How to go on alone to places like Cambodia and India, Egypt, Nairobi, Peru? He thinks of quitting but perseveres. Many adventures, some mishaps. Success! This former journalist's book tells the exciting story. His "BackPack" of 50 pages is jammed with practical info. He wants you, maybe a first-timer, to have a better, safer trip ñ and save money.
