There are two worlds. The one we know, and the one below. Aspen Matthews has always been drawn to the sea, that is why she became a marine biologist. But when an underwater experiment goes horribly wrong, Aspen discovers her connection to life under the sea is far more than scientific. She discovers that she is a water nymph - able to live and thrive beneath the sea! Aspen is thrilled to bring you the most complete collection of Michael Turner's first-ever creator owned series, "Fathom", with this amazing "Fathom: The Definitive Edition Trade Paperback!" Inside, readers will find the rare "Fathom Preview", issues number 0 and number 1/2, both of which have never been collected in a trade before now! Issues number 1 through number 9, including the special add-in pages, plus the sold out issues number 10 and number 11, also making their first trade debut! Re-envisioned pages and excerpts from issues number 12 through number 14, focusing on Aspen and Cannon's ordeal with Vana! Both original "Fathom Swimsuit" issues featuring pin-ups from a host of today's top artists, along with a jam-packed cover gallery and more seldom seen Fathom goodies as only Michael Turner and Aspen could deliver! We'll also be including the complete "Aspen Extended Edition" which bridges the gap between "Fathom Volume 1" and "Volume 2", and also features the first appearance of everyone's favorite Blue warrior goddess, Kiani! Combine all that together, and you have 496 massive pages of everything that was "Fathom Volume 1".
