isbn:9780761152149

They guided you through pregnancy, they guided you through baby's first year, and now they'll guide you through the toddler years. In a direct continuation of What to Expect When You're Expecting (over 9.6 million copies in print) and What to Expect the First Year (over 5.6 million copies in print), America's bestselling pregnancy and childcare authors turn their uniquely comprehensive, lively, and reassuring coverage to years two and three. Organized month by month for the second year (months 12-24) and quarterly through the third year (months 24-36), What to Expect the Toddler Years covers each growth and development phase parents are likely to encounter-when they're likely to encounter it. Hundreds of questions and answers treat everything from eating and sleeping problems to day care, tantrums, bottle mouth, shyness, self-esteem, and more. An entire third section of the book is devoted to toilet training, safety, and health, and a fourth covers special concerns-the exceptional child, siblings, and balancing work and parenting.

Remarkably thorough, caring and intelligent, What to Expect the Toddler Years is as valuable for the seasoned parent as it is for the new parent. 2.4 million copies in print.

## 评论

事到如今，我已经不再需要这样的百科全书了。Still，感谢这一系列的一路陪伴。

-----  
很详细地写了孩子第二年会遇到的问题 and 家长的解决办法，整个教育理念一体很系统，但总体来说比较西式，拿到中国家庭中使用会遇到很多问题，个人是比较喜欢的，比较适合年轻的父母作为育儿参照。
