"Life" has, of course, visited its archives before - but never like this. This edition puts the photographs on display, not only as part of the page layout but as the page itself. The explanatory text will be out of the way, so that each image can be savoured. Moreover, prints will be included that are not just suitable for framing, but meant for framing. And not only will there be photographic prints; there will also be 75 other famous pictures that appeared in "Life"'s pages, the story behind each of them and the narrative history of what "Life"'s photography has long meant to the country and, indeed, to the world. This is a unique, ground-breaking book. It is the ultimate treatment of our photography to date in book form. As such it is ultra-commemorative and collectible. "The Classic Collection", presented in this classic way, will be a definitive "Life" Book-and a category leader.

书评

浓缩70年来美国《生活》杂志精华的精彩图片，从画册里的一张张照片可以了解到美国以至整个世界的发展和历史，战争、社会、科技、体育、文化世界的各个方面一一呈现在你的眼前。虽然是英文版，但通过精彩的画面你也可以了解到其中的内容。我还是在二手地摊淘到这本书的， ¥ 25元。
