The day we decided to scare Courtney was the
 day of our class field trip.
 Mr.

Melvin¼ our teacher¼ and Ms. Prince¼ the other sixth-grade teacher¼ stood counting us as we boarded the yellow school bus. Courtney was first in line¼ of course. Courtney makes sure she is always first in line. Her friend Denise boarded right behind her. It was a gray day. Dark storm clouds rolled overhead¼ blocking the sun. The guy on the radio said there was a ninety percent chance of rain. I didn t care. I was happy to be getting out of school. I pushed my friend Hat into the kid in front of him. His real name is Herbie¼ but everyone calls him Hat. That s because no one has ever seen him without a baseball cap on his head. I ve known Hat since fourth grade¼ and I don t think I ve ever seen his hair. The kid in front spun around and shoved Hat back at me.
