~ALL STARTED when one of my two best friendsi¼Œ Stevie
br >~kei¾Œ fell out of a tree. Slid down is probably a more
br >i~curate way to put it. She was straddling a branch and
br >~id down iti¼Œ backside first. Unfortunately for Stevie, her
br >ithree brothers were there at the time and they thought
br >~e scene was hilarious.
br >ii~! But Stevie wasn t exactly laughing when she ended up
br >~the ground, fifteen feet below where she d started
br >~m. She had an excruciating pain where she sat down
br >~except she couldn t sit down because the pain was too
br > xcruciating).
br >i!,i The doctors said she had bruised her coccyx. For some
br >~ople, that s not a tragedy. It just means you can t sit
br >down for a while. But for Stevie, it was the worst possible
br >news--if you can t sit, you can t ride a horse. And she,
