"If you take a bad boy and make him dig a hole every day in the hot sun, it will turn him

into a good boy." Such is the reigning philosophy at Camp Green Lake, a juvenile detention facility where there is no lake, and there are no happy campers. In place of what used to be "the largest lake in Texas" is now a dry, flat, sunburned wasteland, pocked with countless identical holes dug by boys improving their character. Stanley Yelnats, of palindromic name and ill-fated pedigree, has landed at Camp Green Lake because it seemed a better option than jail. No matter that his conviction was all a case of mistaken identity, the Yelnats family has become accustomed to a long history of bad luck, thanks to their

"no-good-dirty-rotten-pig-stealing-great-great-grandfather!" Despite his innocence, Stanley is quickly enmeshed in the Camp Green Lake routine: rising before dawn to dig a hole five feet deep and five feet in diameter; learning how to get along with the Lord of the Flies-styled pack of boys in Group D; and fearing the warden, who paints her fingernails with rattlesnake venom. But when Stanley realizes that the boys may not just be digging to build character--that in fact the warden is seeking something specific--the plot gets as thick as the irony.

It's a strange story, but strangely compelling and lovely too. Louis Sachar uses poker-faced understatement to create a bizarre but believable landscape--a place where Major Major Major Major of Catch-22 would feel right at home. But while there is humor and absurdity here, there is also a deep understanding of friendship and a searing compassion for society's underdogs. As Stanley unknowingly begins to fulfill his destiny--the dual plots coming together to reveal that fate has big plans in store--we can't help but cheer for the good guys, and all the Yelnats everywhere.
