Book Description Eight-year-old Hope Brown and her little sister, Annie, love to travel, and because of their dad's job, the two home-schooled girls have lots of opportunities. Join the fun as they visit exciting countries and meet inspiring Christians from all over the world. In *Escape From Egypt*, the Brown family travels to Egypt, where they stay with Reid Brown's old college friend, Dr. Ibrahim. Hope and Annie have never seen anything like the crowded city of Cairo! While there, Hope befriends a beggar boy whose mother is ill in the doctor's clinic. What will happen to the boy if his mother dies? Card catalog description While visiting Cairo, nine-year-old Hope makes new friends of the Muslim faith and prays that they will discover the benefits of Christianity. See all Editorial Reviews
