39614, Eight Cousins , Eight Cousins , 0140374566, Louisa May Alcott, 30.00, 10.00, Puffin, 1-Sep-95, 简装, 299,, , Eight Cousins , From School Library Journal Grade 6 Up-At the age of 13, Rose finds herself orphaned and living with two elderly aunts on "Aunt Hill" where she is treated as delicately as the flower for which she is named. But Rose soon finds her quiet world turned upside down with the arrival of her seven boisterous boy cousins followed by her Uncle Alec, a doctor and a world traveler. Upon meeting Rose, Uncle Alec quickly prescribes fresh air and much activity to help with the girl's poor constitution. Uncle Alec's diagnosis turns out to be an accurate one and Rose, with the help of her cousins, finds herself in the middle of much hijinx and merriment. Veteran stage actress Barbara Caruso brilliantly breaths life into each and every one of Louisa May Alcott's delightful characters. With just the

slightest change of inflection she is able to capture the essence of each character from the oldest to the very youngest. This audiobook would be an asset to any collection.
