From Booklist Ages 5<sup>+</sup>-7. Teachers will appreciate this gathering of older and contemporary Christmas stories, poems, and songs (with simple arrangements) by African American authors. Works by Langston Hughes, Paul Dunbar, Lucille Clifton, and Gwendolyn Brooks are included. Cal Massey, James Ransome, and Anna Rich are among the several illustrators who've contributed the artwork. Mary Harris Veeder Book Description Christmas means special family times are here - times of merriment, good cheer, and love. Cheryl Willis Hudson has compiled a wonderful book that celebrates this special time through a collection of traditional African American songs, stories, and poems. Works from legends such as Langston Hughes, Lucille Clifton, and Nikki Grimes (just to name a few) are perfectly complimented by rich illustrations from a number of renowned illustrators including, George Ford, Cal Massey, and Sylvia Walker. This book exudes the warmth, the heritage, and the tradition that is inherent in --This text refers to the Paperback edition. See all Editorial Reviews"
