IntroJuction

PUBLISHED IN THE EARLY 1950S,

The Orchids and Gumbo Poker Club was dismissed  
by critics as an innocent bit of syrupy fluff.

"This slight, sentimental novella is nothing  
more than a cloying spoonful of rock candy.

Not only should you not expect a full meal," wrote The Tuesday Afternoon Post, "you should take good care to leave the bathroom door wide open--because the need to regurgitate may come over you at any moment."

Other critics weren't so kind. "The writing
