Once upon a time¼ there lived a lovely
young princess named Snow White. Her
stepmother¼ the Queen¼ was jealous of
Snow White s beauty.
One day¼ Snow White was singing in
the courtyard. A handsome young prince
was riding by and heard her beautiful
voice. He climbed the castle wall to find
her. But shy Snow White ran up to her
balcony.
From the courtyard below¼ the Prince
sang to Snow White. She listened happily
to his song and did not see the evil Queen
watching them.
