43742,Jemima Puddle-duck's Rattle Book ,Jemima Puddle-duck's Rattle Book ,0723248222,Beatrix Potter,45.00,15.00,Warne,28-Jan-02,精装,10,,,Jemima Puddle-duck's Rattle Book , Amazon.com Jemima Puddle-Duck is easily rattled--with this combination rattle and board book. Just right for small hands, the curvy-edged book features die-cut holes through each page, making a handle for young readers to grip. And why would they want to grip it? Because once they grip it, they can shake it, and once they shake it, the tiny yellow beads inside the clear plastic window will rattle most pleasingly. Within this noisy book, one of Beatrix Potter's most beloved characters is introduced. Jemima Puddle-Duck, in her blue sunbonnet and elegant shawl, chases bumblebees, splish-splashes in a pond, and lets her feathers fly in the charming 10-page novelty book. Looking for a companion to Miss Puddle-Duck? Meet the mischievous Peter Rabbit in another Beatrix Potter-inspired interactive book, Peter, Rattle!. (Baby to preschool) --Emilie Coulter Book Description Toddlers will love this Jemima giant shaped board book, with their easy-to-follow story and full-color illustrations. Cut in the shape of this title character, this book has large text and sturdy pages, making them ideal for the very youngest fans. The book features an abridged version of the classic story on five oversized spreads illustrated with Potter's original artwork.With attention-grabbing

text-free covers that allow them to double as toys or nursery decorations, this book will make a great addition to any nursery. --This text refers to an out of print or unavailable edition of this title. See all Editorial Reviews"
