To speak of Eastern Europe or the Soviet bloc obviously entails more than the five countries Bulgaria Czechoslovakia Hungary Poland and Romania treated in this book. It means Yugoslavia as well as East Germany. Except for certain comparative references however, I have excluded fuller treatment of them from this book for several reasons. In the case of Yugoslavia, although certainly a Slavic and East European country, it must be remembered that it regards itself as nonaligned and is not a member of either the Warsaw Pact or the Council for Mutual Economic Cooperation (Comecon). The Soviet bloc's common market. Though certainly a Communist country, its relations with the Soviet Union and the USSR's more loyal allies have been strained since 1948 and the form of Communism practiced there is so
