Amazon.com The Scholastic Children's Dictionary provides a brief history of each letter, precise definitions, and charming illustrations. Scattered throughout are colored boxes of synonyms, suffixes, and prefixes for featured words. Perusing this

quality reference volume is a rich experience that's well beyond a simple list of definitions. From Publishers Weekly Newly updated and attractively organized with easy-to-read pronunciation guides, sample sentences and plenty of pictures, the paper-over-board Scholastic Children's Dictionary remains a kid-friendly resource. Back matter contains a U.S. and world map, the Braille and American Sign Language alphabets, flags and basic facts about the world's countries and information about the American presidents. Ages 8-up. Copyright 2002 Cahners Business Information, Inc. --This text refers to an out of print or unavailable edition of this title. See all Editorial Reviews"
