>Carmen Sandiego and her gang have struck again! This time they've taken foul treasures from America's great past--Ben Franklin's glasses; the old port of New York City; Civil War General Robert E. Lee's horse Traveller; and the Apollo 8 space capsule that orbited the Moon. Help get these priceless treasures back!
>Inside this book are four mystery-adventure games for you to play. Only you can capture Carmen's gang and return the stolen property. Only you can choose which treasure to recapture first! and only you can choose the path you must take.
