his book re~U ~ab. i¼Œ Monster to Granny zJira.
members of the fam~Y Iron~ m~ J
ldren will also learn about different kinds of families and some
;he things they do together.
Baby Monsters\" is a story about what baby monsters must
k~.o~l
become big monsters. They learn to comb their fur i¼Œ make scary
e8i¼Œ and to mind their monster manners!
"If I Lived Alone\" is a realistic look at family life. Sometimes it s
Lnoying to share a room with your big sister i¼Œ but it
s nice to have
i¼Œme0ne to huddle with during a thunderstorm. Sometimes it
s
~noying to be quiet while the baby naps i¼Œ but it s nice to have
meone who shares his crackers with you.
Some of the activities in this book encourage

children to talk about their own families. "Bedtime Stories" "Sweet Dream" and "Daddy Monster Cooks Dinner" are about family routines that help children feel secure. children of your own family and that others teach them about different families. The Editors
