MUSEUM
I This prereading-reading activity
MUSEUM 1) Before going to the museum
talk with your child about the kinds of things you will see there.
3 to 5 2) With your child make a picture list of five to eight items to look
YOU WILL TEACH for. If an art museum is your destination the list might include pictures of such things as a boat
YOU WILL NEED a tree a boy and a girl. For a science museum you might include a giant dinosaur and a paper
museum paintings or exhibits butterfly exhibit on your list.
3) When you get to the museum
give your child the list and a pen.
4) Help your child check off the items on the list that you see as you walk through the museum
