 the foreign-language vocabulary at the oaczu
 cassette reinforce each other but can be used separately once your
 child is comfortable with them.
 All children have the potential to speak a foreign language. By using
 frequently repeated words in a storybook formi¼E Teddy Berlitz
 allows children to tap that potential. These carefully constructed
 texts have been approved by school language-experts and meet the
 Berlitz standard of quality. Best of all i¼E the book-cassette folio enables
 a e to be learned in much the same way your child first
 a new language
 learned to speak.
 Enjoy sharing Teddy Berlitz--and watching your child's world grow.
