出版时间:1999-1

装帧:简装

isbn:9780880129862

Product Description Spanish, Elementary is a wonderful way for elementary students to learn Spanish. The many illustrations give clues to the meanings of the Spanish words. Level Two begins by reviewing the Spanish calendar and numbers. Next, students will learn words for objects found in the home, in the city, at the supermarket, and in nature. You'll be amazed at how quickly your students' Spanish vocabularies expand!
