isbn:9781878257413

Book Description Kid-approved, and parent-tolerated, this indispensable manual comes packaged with a whoopie cushion kit (think of it as science with a punch line). This is one activity book full of stuff kids really want to do. Card catalog description How to sneak around! How to fake a disgusting sneeze! How to stump grownups! How to build the world's best paper airplane! And more!
