Book Description There are many uses for mooses. For instance, they make great hat racks, Christmas trees, and beach chairs. But you'll never believe what you can do with a hippopotamus, an alligator, and other popular pets! By the author and illustrator who created the best-selling Never Mail an Elephant. Card catalog description Suggests using exotic pets like mooses, alligators, and octopi, as hat racks, staplers, and string quartets. --This text refers to an out of print or unavailable edition of this title.
