Yet his simple petition is the cornerstone of The Prayer of Jabez and has become a call to live a more \blessed life\" for countless readers. The prayer is a simple one: \"And Jabez called on the God of Israel saying, \"Oh, that You would bless me indeed, and enlarge my territory, that Your hand would be with me, and that You would keep me from evil, that I may not cause pain.\" So God granted him what he requested.\" In an era where many Christians shy away from anything that smacks of \"name it and claim it, \" author

Bruce Wilkinson alleviates misgivings by putting the prayer into perspective. Wilkinson, founder and president of Walk thru the Bible Ministries and a popular speaker for Promise Keepers, writes in a persuasive, conversational style that will woo even the most cynical reader. He has used the Jabez prayer for more than 30 years, and testifies enthusiastically to the changes it has wrought in his own life. Wilkinson challenges readers to recite the Jabez prayer every morning and keep a record of the changes that occur. The power, he emphasizes, is not in the prayer itself, but \"rather, the power is in what you believe will happen as a result of the prayer, and the action you take.\" Wilkinson makes a convincing case. --Cindy Crosby --This text refers to the Hardcover edition. Book Description Dr. Bruce Wilkinson, president of Walk Thru the Bible Ministries, takes readers to 1 Chronicles 4:10 to discover how they can release God's miraculous power and experience the blessings God longs to give each one of us. The life of Jabez, one of the Bible's most overlooked heroes of the faith, bursts from unbroken pages of genealogies in an audacious, four-part prayer that brings him an extraordinary measure of divine favor, anointing, and protection. Readers who commit to offering the same prayer on a regular basis will find themselves extravagantly blessed by God and agents of His miraculous power in everyday life. --This text refers to an out of print or unavailable edition of this title.
