Mary Beth Bonacci speaks to nearly 100, 000 people every year. She speaks to people across the country and around the world - about friendship, about relationships, about marriage, about God's plan for sexuality, and about finding real, honest love. And they speak back to her. They ask her questions -- about sex, about dating, about healing after a shattered relationship, about marriage, about their struggles to live love. Now, for the first time, Mary Beth has published those questions - and her answers - in a comprehensive, readable guide which addresses the details of the very real struggle that people face in trying to live real love in a world gone mad.

Through these questions and her answers, Mary Beth offers a comprehensive catechesis of the Church's teaching in the areas of marriage and human sexuality. She tackles the toughest issues - premarital sex, contraception, divorce, homosexuality, pornography and others. She gives practical advice on living the Church's teachings. And throughout it all, she demonstrates that living respect for God's gift of sexuality is the way - the only way - to find real, honest love.
