A Wall Street Journal bestselling leadership consultant teams up with an acclaimed international speaker and mountain climber to deliver a landmark program for

transforming adversity into a powerful advantage.What if you could convert everyday struggles, big and small, into the kind of fuel that spurs you past everyday normality to everyday greatness? This book is built upon a simple but powerful promise: anyone can use the ingredients of adversity to elevate one's business and life.Dr. Paul G. Stoltz is the world's leading expert on adversity-related research, theory, and applications. Erik Weihenmayer-a world-class mountain climber who happens to be blind-is Stoltz's Adversity Advantage personified. Their dream-team combination of wisdom and experience adds up to an application-packed program that shows listeners how to:

- Rewire core response mechanisms to respond optimally to anything that happens the moment it strikes.
- Move past coping with and managing adversity to harness
