The Anathemata was considered by W. H. Auden to be the most important long poem written in English in the 20th century.

作者介绍:

David Jones CH (1 November 1895 – 28 October 1974) was both an artist and one of the most important first generation British modernist poets. His work was formed by his Welsh heritage and his Catholicism. T. S. Eliot considered Jones to be a writer of major importance and his The Anathemata was considered by W. H. Auden to be the most important long poem written in English in the 20th century.
