A Special Feature-Length Anniversary Adventure Celebrating 10 Years For The TORCHWOOD team.

The Torchwood Archive; Welcome, visitor. The Torchwood Archive provides a complete history of our Institute from its distant beginnings to the present day. When we founded our great enterprise in the year of our Lord 1879, we decreed that there should be a record of this achievement, stored at the very furthest limits of the British Empire. By visiting you are spreading that legacy, perhaps out through the skies. For now, I shall bid you a good day and welcome you to the Torchwood Archive. Do,

please look around.

The Torchwood Archive is a forgotten asteroid in the centre of a great war. Jeremiah is its first visitor in many centuries. He's come to learn something very important. And the ghosts of Torchwood are waiting for him.

Torchwood has now been in existence for 10 years from its debut in 2006 as a Doctor Who spin-off created by top TV producer and writer Russell T Davies. It has appeared on both UK and US television, BBC radio productions, novels, and now - courtesy of Big Finish - in new audio plays. The huge interest following the announcement of the first Big Finish Torchwood series caused a website server crash even as John Barrowman was breaking the news on his radio show and this special anniversary edition brings together as many of the original cast possible, in a tale hugely anticipated by fans of the show.

CAST: John Barrowman (Captain Jack Harkness), Eve Myles (Gwen Cooper), Gareth David Lloyd (Ianto Jones), Naoko Mori (Toshiko Sato), Indira Varma (Suzie Costello), Kai Owen (Rhys Williams), Tom Price (Andy Davidson), Tracy-Ann Oberman (Yvonne Hartman), Richie Campbell (Jeremiah Bash Henderson), Rowena Cooper (Queen Victoria), Julian Lewis Jones (Alex Hopkins), Samuel Barnett (Norton Folgate), David Warner (The Committee), Emma Reeves (Miss Trent), Krystian Godlewski (Maxim Ivanov), Guy Adams (Archie), Geoffrey Breton (Bartender), Lisa Bowerman (Miss Mitford), Laura Doddington (Delilah), Aaron Neil (Mandrake), Kerry Gooderson (Little Girl), Ryan Sampson (Ivan Putin), Damian Lynch (Kieran Frost), Paul Clayton (Mr Colchester).

# 评论

对于没听过BF Torchwood Audio Series的路人不太友好。剧本挺精巧，James Goss估计可以把TW电视剧剧情倒背如流。
