A wonderfully vibrant picture book for young children about two of the best things in life – books and friends!

Bou the red-eared panda wakes up one morning and hears the toot-toot of the floating library. He's excited to go and borrow his favourite book and rushes to the library boat, only to find that his book has already been lent out. He sets off to find whoever has borrowed it so they can share - and in the process makes a fantastic new friend.

With artwork in strong primary colours, and a fun, yet simple storyline, Birdy and Bou is perfect for fans of Maisy by Lucy Cousins.

Introducing a brand new pair of adorable characters to fall in love with from David Bedford and Mandy Stanley, the brilliant partnership behind Roo the Roaring Dinosaur.

'This wonderfully vibrant picture book will captivate children ... a brilliant celebration of friendship and of the love of books, perfect for sharing and asking your child about their favourite book(s).' Parents in Touch

很有趣的设定：水上图书馆。移动的船开来，动物们都去看书。熊猫订的书被小鸟借去看了，于是他跟着脚印找到小鸟。最后俩人一起看书，成了好朋友。故事走向有点弱。
