One of most ground-breaking shows in the history of television, The Twilight Zone has become a permanent fixture in pop culture. This new graphic novel series re-imagines the show's most enduring episodes, in all their original uncut glory, originally written by Rod Serling himself, and now adapted for a new generation—a generation that has ridden Disney's Twilight Zone Tower of Terror™ ride, studied old episodes in school, watched the annual marathons, and paid homage to the show through the many random take-offs that show up in movies and TV shows everywhere. Destination: Homewood. Step off the beaten path as Martin Sloan takes the journey of a lifetime. Somewhere up the road he's looking for redemption— but he'll find something entirely different.
