Stock up on one of the most perennially popular and bestselling novels in recent years. “On June 4, the body of a young woman surfaced from 300 feet of water in Lake Placid, New York. Because of the depth and the intense cold of the water, the body, which was determined by medical examiners to have been submerged for 20 years, was remarkably well-preserved. Authorities concluded that her death had been violent.” Now, two decades later, someone must pay. And for Dave Powell, his loving wife, their little girl and all those close to them, the ordeal is about to begin....
